KIST Kenya

@KIST Kenya

LOCATION
KIST is located in Kiambu County. It is 14km from the City of Nairobi
along Kiambu Road and 1km before Kiambu Town

BRIEF HISTORY/ BACKGROUND

KIST was established in 1973 by the Kiambu community on Harambee basis (pulling together and raising funds by contributions from individual community members). Since its inception, KIST has produced graduates who fit globally competitive needs of modern employees and the emerging challenges.

KIST is a (TVET) Institute under the Ministry of Education, it is registered to offer Technical and Vocational Education and Training. The Board of Governors (BOG) which is appointed by Ministry of Education in consultation with the stakeholders oversees the day-to-day running of the institute. The core function of KIST is to provide education and training in TVET programmes, promote research and technological development. KIST is ISO 9001:2015 certified and has a holistic approach to training self-driven graduates aimed at achieving Kenya Industrialization envisaged in the Vision 2030. The Institute has actively participated in National TVET trade Fairs, Robots contests and Sports both at the Regional and National levels.

KIST VISION

A center of Excellence in Technical and Vocational Education and Training. This guides us towards our endeavour to make significant contribution towards Kenya in becoming a newly Industrialized Country as per vision 2030.

KIST MISSION

To provide and promote quality training in Science and enhance innovations through emerging technologies
